Subject: Application for a Junior Web Developer Position.

Dear John Doe,

I am writing to express my interest in the junior web developer position at “X” Limited. With a strong foundation in web development and a passion for creating engaging user experiences, I believe I am well-suited for this role.

I have built a portfolio showcasing my abilities, including SmartPulse Tracker and FutureTech Haven. I am also eager to learn and adapt quickly, embracing new technologies and frameworks to stay ahead of the curve. My dedication and work ethic are fueled by a genuine interest in creating user-friendly, interactive web experiences. I am confident I can seamlessly integrate into your team and contribute to X Limited's continued success.

Thank you for your time and consideration. I have attached my resume for your review and look forward to discussing my qualifications further.

Sincerely,

Md.Raisul Islam
